

Cocopah Indian Housing and Development

As you are probably aware, Cocopah Indian Housing and Development (CIHAD) is in the process of realigning its staffing and project management structure in order to better serve the needs of the Cocopah community.

Since community priorities change over time and the Indian Community Development Block Grant (ICDBG) program has a citizen participation requirement, we ask that you help us identify and prioritize the community concerns that are most important to you. We need your ideas in order to use our assets to provide the most wanted benefits.

Please complete and return the brief survey on the reverse side to CIHAD on November 27, 2018 at 6:00-7:00 pm:

Cocopah Indian Housing and Development
10488 W. Steamboat Street

Surveys will be made available at the Citizens Participation meetings to be held at the CIHAD corporate offices on November 27, 2018 at 6:00 p.m. through 7:00 p.m.

Your response will be very much appreciated.
